

The 12th MAN

P.O. Box 1
Washington, IL 61571

The Washington Community High School Football Team and the 12th Man would like to have you join us in the support of this year's Panther Football Teams. We are expecting good things to happen with this year's teams and will be holding many events in support of WCHS Football and our members. The 12th Man is an organization that was founded in 1983 and is setup for the financial and volunteer support of our Panther Football Teams and all other sports at WCHS. The funds raised go toward items requested by Coach Darrell Crouch, such as weight room equipment, player's equipment, training equipment, player stats and highlight software, etc. With support from people and organizations like you, we will be helping build the "**Tradition of Excellence**" that has been a part of Washington Panther Football for many years and many years to come. We are getting very excited about the prospects for another very successful season. We need your help and support in creating the winning atmosphere our young men need, in order to succeed on and off the Football Field. To become part of 12th Man and support the Washington Panther Football Program please see the Membership Options below or if you would just like to volunteer to help with any of the events. **Please complete the bottom portion and return it with your dues to the 12th Man, P.O. Box 1, Washington, IL 61571. To have your name listed in this year's Press Guide, all memberships must be received by August 1st.** We look forward to having you as an important part of the 12th Man and seeing you at all our Panther Football games and events.
